CONDITIONS OF SALE

DUNCAN & DAVIES LTD take the greatest care to have all trees and shrubs sold by them to the best of their knowledge true to name and description, but any expressed or implied condition, statement or warranty, statutory at commonlaw or otherwise, as to growth, description or quality of productiveness is hereby excluded and the Company will not undertake to replace failures, or be responsible for the crop. IF THE PURCHASER DOES NOT ACCEPT THE GOODS SOLD TO HIM ON THESE TERMS THEY ARE TO BE RETURNED AT ONCE AT PURCHASERS COST. Duncan & Davies Ltd reserves the right to adjust prices, without notice, to meet any unforeseen circumstances.

2. Our normal Wholesale Trade prices will apply.
3. No quantity discounts will apply, but for large quantities of pre-ordered specific material, prices could be arrived at by mutual arrangement.
4. Wherever possible we would request orders to be not less than 50 plants in multiples of 5 of any one variety. However, single items within an order of 50 plants in multiples of 5, would be given our consideration if available, carrying the surcharge of 25% each single item.
5. ACCOUNTS : Payment is due on the 20th of the month following delivery.
6. CLAIMS : All goods are despatched uninsured and at buyer's risk. Claims for discrepancies will only be considered if we are advised on receipt of order. Claims for losses or damage in transit should be lodged promptly, DIRECT TO THE TRANSPORT ORGANISATION (i.e. NZ Railways or Road Carriers) concerned - NOT to this Company.

We are more than pleased to show you our Nursery and discuss your requirements, so please visit with us if time allows. We ask only one small courtesy - please ensure you convey at least 24 hours notice of arrival in New Plymouth. The Nursery is located some 9 miles north of our New Plymouth Head Office and such notice allows time to arrange for a smooth visit. New Plymouth Airport is situated half way between New Plymouth and D & D Nursery location, so we can arrange to meet aircraft and provide transport to the Nursery and back to the airport, or to New Plymouth.

The Nursery has many modern features worth viewing and we can promise interest throughout your visit - probably the best time to view the forthcoming seasons product is in the period January to March 1979.

DUNCAN & DAVIES LTD. WHOLESALE TREE AND SHRUB LIST WILL BE
CIRCULATED EACH MONTH
