FORWARD ORDER LIST FOR
FIELD GROWN PRODUCT

WHOLESALE TRADE LIST

TERMS OF BUSINESS:

1. Prices include labels, packing and freight to nearest railhead.
2. Minimum order 50 plants.
3. Less than five plants of one variety will not be supplied.
4. Own transport ex Nursery — less 10% (7 days notice please).
5. In-store delivery charged.
6. ACCOUNTS: Payment is due on the 20th of the month following delivery. This Company reserves the right to withhold customer's order if their account is not on a current basis.
7. NEW ACCOUNTS: Customers who have not traded with us previously must remit cash or cheque with order prior to despatch.
8. CLAIMS: All goods are despatched uninsured and at buyer's risk. Claims for discrepancies will only be considered if we are advised on receipt of order. Claims for losses or damage in transit should be lodged promptly, direct to the transport organisation concerned (i.e. N.Z. Railways or Road Carriers) — NOT to this Company.

CONDITIONS OF SALE:

DUNCAN & DAVIES LTD take the greatest care to have all trees and shrubs sold by them to the best of their knowledge true to name and description, but any expressed or implied condition, statement or warranty, statutory at commonlaw or otherwise, as to growth, description or quality of productiveness is hereby excluded and the Company will not undertake to replace failures or be responsible for the crop. If the purchaser does not accept the goods sold to him on these terms, they are to be returned at once, at purchasers cost. DUNCAN & DAVIES LTD reserves the right to adjust prices, without notice, to meet any unforeseen circumstances.

FORWARD ORDER LIST FOR DELIVERY MAY TO SEPTEMBER 1980

- * We offer a product list covering our major open ground grown trees and shrubs. We have done our utmost to assess and anticipate grades and unit prices, an increasingly difficult task. More than ever this season we ask you to accept our prices as our best assessment for 1980 and we must reserve the right to adjust prices to meet any unforeseen factors.

 - * PRICES QUOTED are for EVERGREEN PRODUCT BAGGED and DECIDUOUS PRODUCT DELIVERED BARERROOT.

 - * Please state on order form if you require delivery of DECIDUOUS product BARERROOT or BAGGED.

 - * REMEMBER, a bagging charge will be added to the price quoted herein for deciduous product.

 - * ALL our usual business terms apply, including minimum quantities. All prices quoted include labels, packing and freighting costs to your nearest railway station.
-
- * PLEASE USE ENCLOSED ORDER FORMS WHEN RETURNING YOUR ORDER.
-
- * ALL pre-season orders will be accepted and confirmed in strict order of receipt. All indications are that product will be short for the 1980 season - Don't delay - Order early.

 - * Forward orders will be serviced in full as they come to hand, until product runs out.

 - * There will be no rationing of product - FIRST COME, FIRST SERVED.

21 January 1980

Dear Customer :

We enclose for your inspection a colour catalogue detailing Duncan & Davies Roses for 1980.

We have available this year over 50,000 quality grown ROSES in approximately 70 varieties covering Hybrid Teas - Floribundas - Climbers and Budded Miniatures.

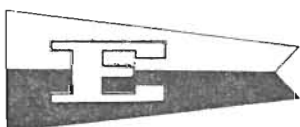

Our ROSES have reacted favourably to the climatic conditions this year and have developed strong, compact, multi-stemmed top growth and a good fibrous root system. Visitors have been unstinting in their praise for this years ROSE crop and we respectfully suggest that if you have any doubts, and can spare the time, a visit to our Brixton Nursery will confirm.

Our new ROSE catalogue has been designed specifically with your customer in mind and shows in full colour our new protected ROSES released last year, 1979, and the new series of protected ROSES we are releasing for 1980. The catalogue also contains full descriptions for all ROSES in our range, plus information on our new pictorial ROSE label and new packaging ideas. Another helpful innovation, we think, will be the selection by colour list, which will provide a quick reference for both yourself and your customer to make the required choice. Finally we have left a blank area on the front of catalogue for you to insert your company name and address, in this way ensuring the forthcoming order returns safely to your store. We have printed a price of 50cents on the front of catalogue making it possible for you to sell, or obtain maximum customer relations by giving some away to say your larger product purchasers. The catalogue costs 53cents to produce and we are making them available to you at 35cents per unit, absorbing the excess as a customer service.

We feel sure that this catalogue will increase your ROSE SALES and to this effect enclose an easy return order form for your use.

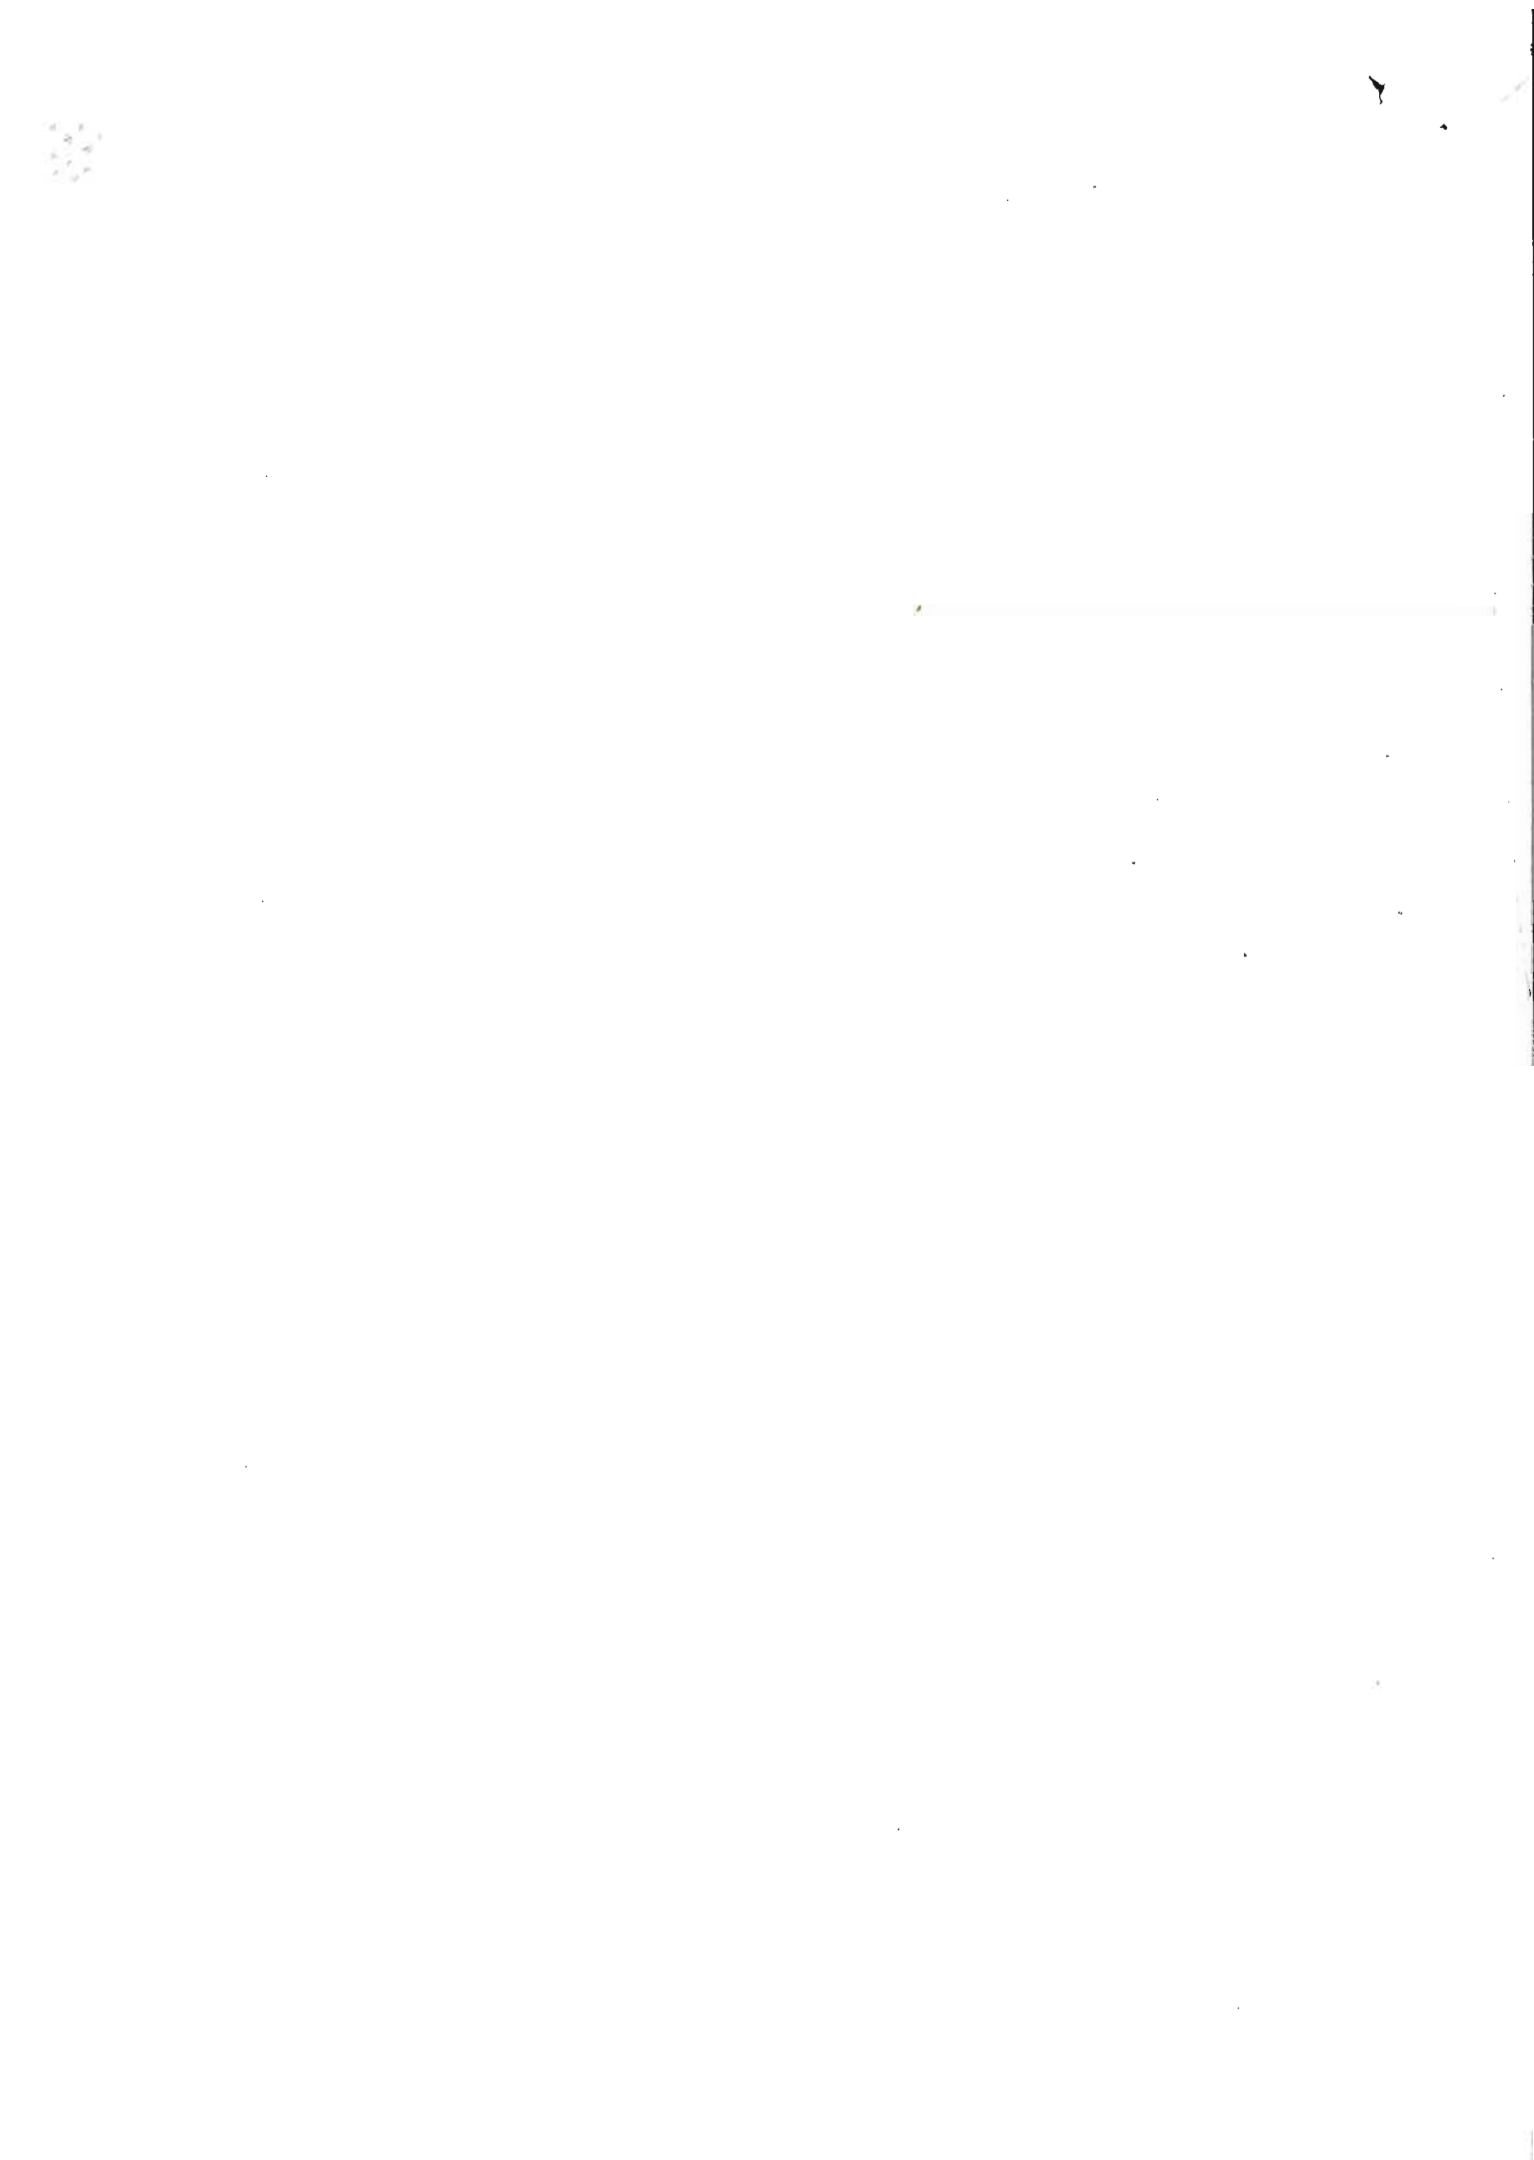

The catalogue can be made available to you immediately on request.

...2/

NEW ZEALAND'S LARGEST PRODUCER OF ORNAMENTAL TREES & SHRUBS

Member of N.Z. Nurserymen's Association

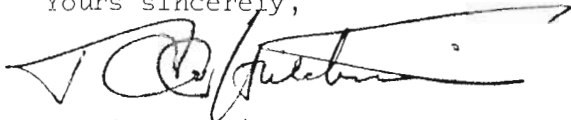

In order for you to fix your own selling price we have letter coded the ROSE Catalogue and we enclose a preprinted ROSE order form stating our Wholesale prices linked to this letter code and full business terms. We also draw to your attention our new ROSE prepack which is pictured and explained in catalogue and order form.

We have ample ROSES available this season in all varieties and we fully expect lifting to commence early in May with all deliveries being made between May 15 and June 15, 1980.

One final point to remember about DUNCAN & DAVIES ROSES - They are always grown on fresh land each and every season, so ensuring the strong healthy field grown ROSES we consistantly produce.

Orders will be deleted from our stock book in strict order of receipt and lifted and delivered in that same order. To ensure your ROSES are on the market in good time PLEASE ORDER EARLY.

Yours sincerely,
