**MARCH**

**WHOLESALE TRADE LIST**

### TERMS OF BUSINESS:

1. Prices include labels, packing and freight to nearest railhead.
2. Minimum order 50 plants.
3. Less than five plants of one variety will not be supplied.
4. Own transport ex Nursery — less 10% (7 days notice please).
5. In-store delivery charged.
6. ACCOUNTS: Payment is due on the 20th of the month following delivery. This Company reserves the right to withhold customer's order if their account is not on a current basis.
7. NEW ACCOUNTS: Customers who have not traded with us previously must remit cash or cheque with order prior to despatch.
8. CLAIMS: All goods are despatched uninsured and at buyer's risk. Claims for discrepancies will only be considered if we are advised on receipt of order. Claims for losses or damage in transit should be lodged promptly, direct to the transport organisation concerned (i.e. N.Z. Railways or Road Carriers) — NOT to this Company.

### CONDITIONS OF SALE:

DUNCAN & DAVIES LTD take the greatest care to have all trees and shrubs sold by them to the best of their knowledge true to name and description, but any expressed or implied condition, statement or warranty, statutory at commonlaw or otherwise, as to growth, description or quality of productiveness is hereby excluded and the Company will not undertake to replace failures or be responsible for the crop. If the purchaser does not accept the goods sold to him on these terms, they are to be returned at once, at purchasers cost. DUNCAN & DAVIES LTD reserves the right to adjust prices, without notice, to meet any unforeseen circumstances.

### SALES REPRESENTATIVES:

342 COLEONEMA PULCHRUM SUNSET GOLD PB3 20/30W 1.75  
 GOLDEN FOLIAGED DIOSMA. A hardy, low-spreading, dwarf, compact shrub with fine textured golden-yellow foliage reaching 65cms in height. Can be used as an accent plant, or several massed as a ground cover, and particularly attractive as a tub specimen. The golden-yellow foliage which intensifies in mid-summer and autumn, together with masses of tiny pale-pink star-shaped flowers in late winter and spring, provide a spectacular display throughout all seasons.

OUR PLANTS LOOK DAZZLING BRIGHT.

NEW RELEASE 1979

478 CUPRESSOCYPARIS LEYLANDII CASTLEWELLAN GOLD

NOW LOOKING EXCEPTIONAL IN GLOWING SUMMER GOLD! PB6 40/60 3.50 3.25 3.00

A great new golden winner from the LEYLANDII stable. Bright lemon-gold fused with apple-green foliage carried on a pyramid shaped closely branched quick growing CONIFER. Hardy, not affected by wind, cold or frost, will even tolerate a little salt in the wind. Will adapt to most soil conditions, but cannot stand wet feet. Will make a good garden specimen tree, or decorative farm shelter tree.

SELLING WELL THROUGHOUT THE COUNTRY - IF YOU HAVEN'T TRIED THEM YET, ORDER NOW FOR IMMEDIATE DELIVERY.

NEW RELEASE 1980

479 CUPRESSOCYPARIS LEYLANDII NAYLOR'S BLUE

STAKED. PB6 120/140 3.50 3.25 3.00 -

A tall, narrow, columnar CONIFER - pendula branching with attractive blue-green foliage displayed in irregular sprays. Foliage is much finer and slower growing than other LEYLANDII clones. This good CONIFER is wind and cold hardy and will adapt to most soil conditions, but cannot stand wet feet. Will make a suitable specimen CONIFER for city garden or farm.

TRY THIS NEW D & D INTRODUCTION - ANOTHER SURE FIRE SUCCESS!
