

DUNCAN & DAVIES

... the plant people

APRIL, 1985

WHOLESALE TRADE LIST

TERMS OF BUSINESS:

1. Prices include labels and packing.
2. Freight — all prices are ex Brixton Nursery.
3. Own transport ex Nursery — less 5% (7 days notice please — 10 days during winter season).
4. Any external freight costs from Brixton e.g.: Chep freight charges ex rail, incurred by us will be charged to the customer.
5. Minimum order — 50 plants.
6. Less than five plants of one variety will not be supplied.
7. **ACCOUNTS:** Payment is due on the 20th of the month following delivery. Overdue accounts will be charged 2% per month interest. This Company also reserves the right to withhold customer's order if their account is not on a current basis.
8. **NEW ACCOUNTS:** Customers who have not traded with us previously must remit cash or cheque with first order prior to despatch.
9. **CLAIMS:** All goods are despatched uninsured and at buyer's risk. Claims for discrepancies will only be considered if we are advised on receipt of order. Claims for losses or damage in transit should be lodged promptly, direct to the transport organisation concerned (i.e. N.Z. Railways or Road Carriers).
NOT TO THIS COMPANY.

CONDITIONS OF SALE:

DUNCAN & DAVIES LTD take the greatest care to have all trees and shrubs sold by them to the best of their knowledge true to name and description, but any expressed or implied condition, statement or warranty, statutory at commonlaw or otherwise, as to growth, description or quality of productiveness is hereby excluded and the Company will not undertake to replace failures or be responsible for the crop. **If the purchaser does not accept the goods sold to him on these terms, they are to be returned at once, at purchasers cost.** DUNCAN & DAVIES LTD reserves the right to adjust prices, without notice, to meet any unforeseen circumstances.

R O S E S

R50C28	ROSE CLG CECILE BRUNNER		E	OG	DS	August	4.80
	Small delicate pale pink button hole rose. Lightly fragrant climber.						

The following roses are Protected. All D & D
Roses are grown on F.K.V. understocks.

D & D NEW RELEASES FOR 1985

ROSE H.T. LADY GLENCORA

Hybrid tea-Armstrong USA Aroraju

The parentage of this fine American Rose is Katherine Locker X Gingersnap. It makes an upright, bushy, well-branched, medium tall habit and produces an abundance of clear brilliant orange blooms over a long period. Blooms come many to a stem and individually are 80-100mm in diameter with 25-30 ruffled petals of good substance with a slight fragrance. Foliage is a glossy dark green with bronzy new growth and with above average disease resistance.

Outstanding features are:

- * The abundant flower production
- * The clear orange colour set against attractive dark green foliage.

Protection applied for 1984

ROSE H.T. PINK PANTHER Hybrid

Tea-Armstrong USA Meicapinal

Sturdy tall growing habit with very dark glossy green disease resistant foliage carrying glowing pink blooms stiffly erect. Blooms are large and many petalled of good texture and attractively waved and fluted. Has a nice fragrance. Tends to carry several large hybrid tea type blooms per stem creating a profusion of dazzling pink. This rose shows every potential to become a great garden variety and a New Zealand favourite.

Protection applied for 1984

Plant Code	Plant Name	Evergreen Deciduous	- E - D	Grade	Process Method	Expected Despatch	Price
R50H21	ROSE H.T. BRANDY Armstrong Arocad <u>All-America Award Winner 1982</u> A graceful high-centred bud in a warm bronzy-apricot, opens into a large 12 cm diameter bloom of 25-30 petals in a rich golden apricot slightly deeper in hue on the petal reverse, aging to a beautiful creamy-apricot shade. Has a mild tea fragrance and repeat blooming qualities. Upright, bushy, medium to moderately tall with classic hybrid vigour and disease resistance.		E	OG	SW	June	4.50
	Protected						
R50H25	ROSE H.T. CATHERINE DENEUE Hybrid-Tea Meilland Meipraserpi This rose is as good looking as the talented French actress for whom it is named. The deep coral orange buds open to a large perfectly formed HT bloom in deep bronzy-orange with salmon overtones. Has a definite but delicate perfume. Low compact growth habit with healthy deep green foliage.		D	OG	SW	June	4.50
	Protected						
R50F12	ROSE FI CHARISMA Floribunda- Meilland Jelrogonor A brilliant, compact growing floribunda rose that simply powers stem after stem packed with colour crazy clusters of blooms all Summer long. 'CHARISMA' is aptly named. A bicolour with dense clusters of uniform sized flowers with a showy lemon yellow and fiery orange-red balanced with attractive glossy, dark green, disease resistant foliage. Words really can't describe the fantastic exuberance of this dazzling little rose.		D	OG	SW	June	4.50
	Protected						
R50H30	ROSE H.T. DOUBLE DELIGHT Hybrid Tea-Armstrong <u>All-America Award Winner 1977</u> Without doubt our biggest selling rose to date. A superb blend of cream and carmine with a strong, rich fragrance. <u>Now established as a firm NZ Garden favourite.</u>		D	OG	SW	June	4.50
	Protected						

Plant Code	Plant Name	Evergreen Deciduous	- E - D	Grade	Process Method	Expected Despatch	Price
R50F35	ROSE FI GOLD BUNNY Floribunda- Meilland Meigronuri Large, unfading, perfectly formed HT type blooms in deep golden yellow with good repeating, free flowering abilities. Low growing habit with plenty of healthy light green foliage. Protected		D	OG	SW	June	4.50
R50H37	ROSE H.T. GOLD MEDAL Refer Introduction.		D	OG	SW	June	4.80
R50H43	ROSE H.T. LADY GLENCORA Refer Introduction.		D	OG	SW	June	4.80
R50H46	ROSE H.T. MANOU MEILLAND Hybrid Tea-Meilland Meitulimou <u>AWARDED 1980 GOLD STAR</u> <u>OF THE SOUTH PACIFIC</u> <u>NEW ZEALAND</u> Deep carmine red buds open to large many petalled blooms in cerise pink shading to creamy-white at the base with a creamy-white petal reverse. The plant is low and compact in habit with glossy, deep green, disease resistant foliage. <u>A novelty rose that should gain good customer</u> <u>acceptance. The Rose Society certainly seemed</u> <u>to like it!</u> Protected		D	OG	SW	June	4.50
R50H55	ROSE H.T. MIRIANA Hybrid Tea- Meilland Meiburgana Oval currant red buds open to a large, long lasting cup shaped flower of brilliant currant red with velvety textured petals. An extremely original colouring and a top selling colour on today's market. Erect vigorous habit with dark green, semi-matt, disease resistant foliage. Protected		D	OG	SW	June	4.80

RINZ PROMOTION ROSES FOR 1985

ROSE H.T. GOLD MEDAL Hybrid

Tea - Armstrong Aroyqueli

The 1985 RINZ Rose Selection

Selected in 1983 by the National Rose Society of NZ as the best Hybrid tea rose on trial and awarded the Certificate of Merit and awarded the Gold Star of the South Pacific.

Pointed long buds of deep gold tipped orange-red gradually spiral open through a sunset Aurora of orange-red tints to open into a full many petalled deep golden yellow tea rose that lasts supremely well on the bush. A grandiflora type of hybrid tea, medium tall and vigorous with deep green, glossy, disease resistant foliage.

We are super confident that 'GOLD MEDAL' is the BEST YELLOW ROSE to come on to the market place for many years and we are sure that 'GOLD MEDAL' will be around for a long, long time to come.

Selected by the Rose Introducers of New Zealand as their 1985 Promotional Introduction to accompany Sam McGredy's red hybrid tea rose 'Olympiad'.

Protected

ROSE H.T. OLYMPIAD Macauck McGredy

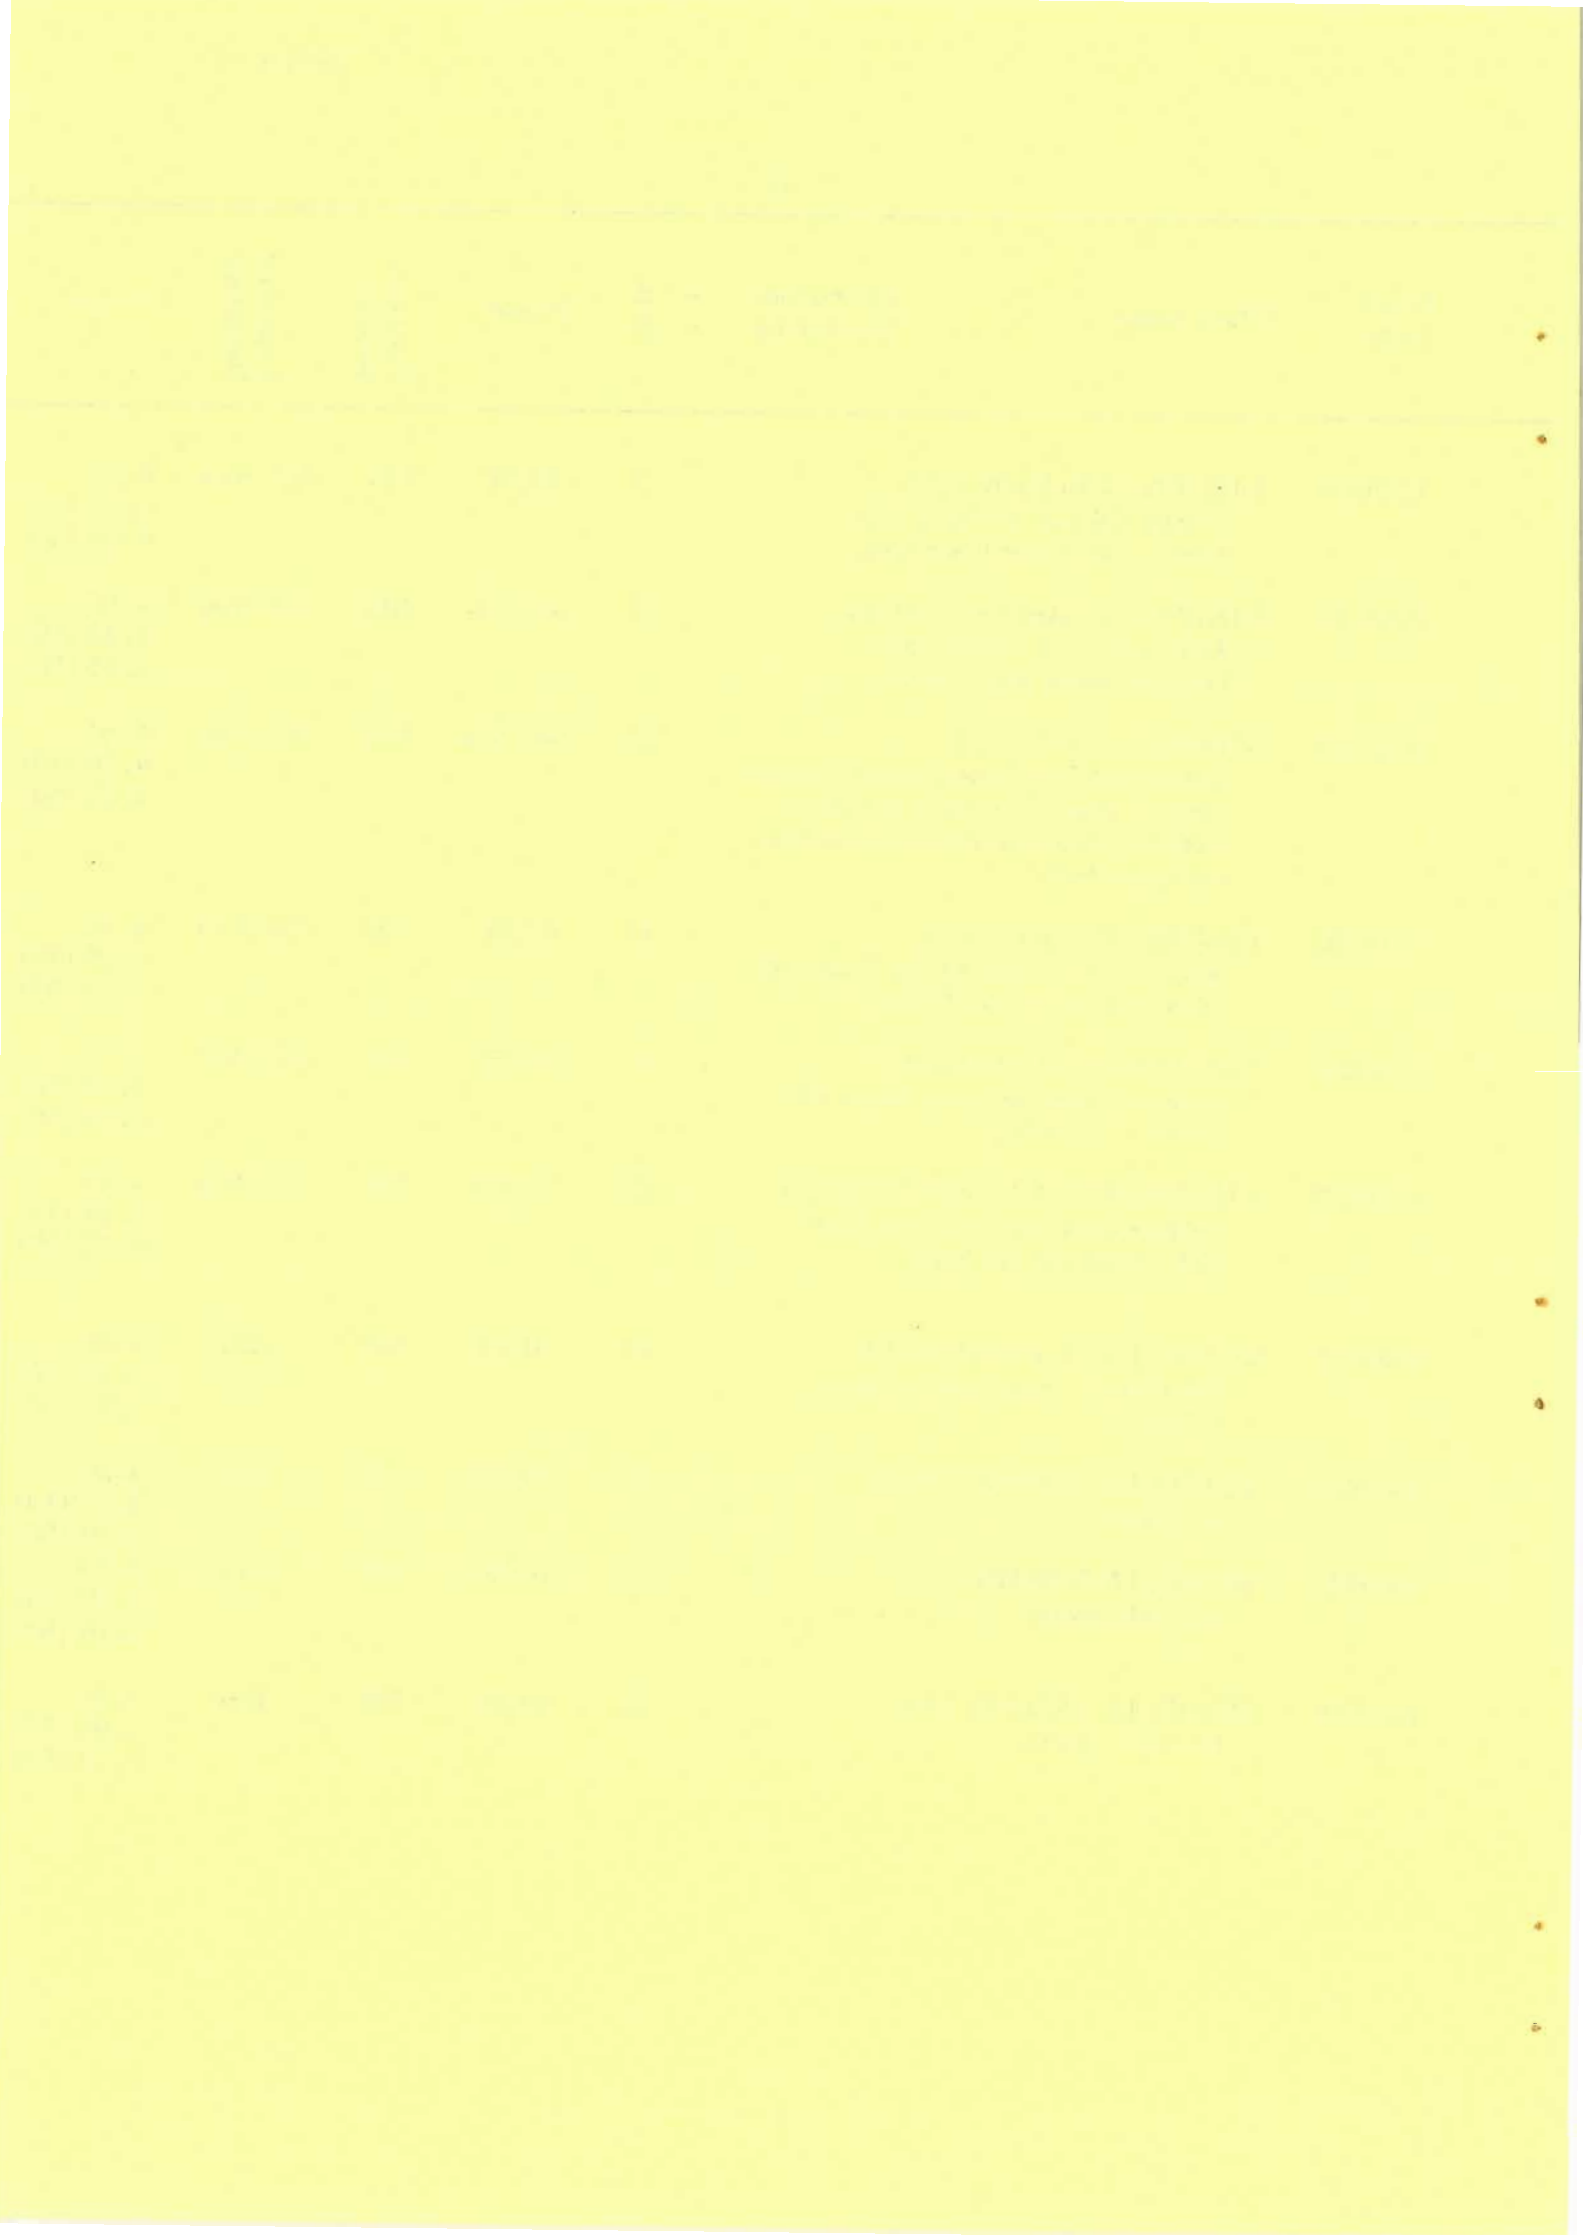

This is the first red Hybrid Tea to win an All-America Award since 'Mister Lincoln' 19 years ago. Its colour is a clear crimson, long lasting, both in the garden and as a cut flower. Individual blooms, which do not age to an unattractive bluish-purple, average 60-70mm across and are borne singly, or in small clusters on long strong stems. The plant is of medium height with an abundance of medium-green disease resistant foliage.

Protected

R50H51	ROSE H.T. MON CHERI Armstrong Arocher <u>THE 1984 RINZ SELECTION ALL AMERICA AWARD WINNER 1982</u> Large, urn shaped, deep red buds opening to full, formal high centred blooms of 35-40 heavy textured petals about 12cm in diameter. Soft pink with red overtones at first opening to a velvety, blood red with pink highlights which gives a three-dimensional colour effect. Fragrance is mild and spicy. Bloom is abundant and very early with excellent repeat qualities. <u>Selected by the Rose Introducers of New Zealand as their 1984 Promotional Introduction.</u> Protected	Hybrid Tea-	D	OG	SW	June	4.80
R50H57	ROSE H.T. OLYMPIAD Refer Introduction.		D	OG	SW	June	4.80
R50H64	ROSE H.T. PINK PANTHER Refer Introduction.		D	OG	SW	June	4.80
R50H67	ROSE H.T. PRINCESS MONACO Hybrid Tea-Meilland Meimagarmic Conical yellow buds bordered with red open to large cup shaped creamy-white flowers edged with carmine red, long lasting blooms. The plant is continuous in flower throughout the season and is slightly perfumed. Semi-erect growth of medium height with brilliant glossy, dark green, disease resistant foliage. NAMED FOR THE LATE PRINCESS GRACE OF MONACO. Protected		D	OG	SW	June	4.80
R50F75	ROSE FI TCHIN TCHIN Meilland Meichanso Masses of brilliant orange-red fully double blooms in neat clusters on compact healthy bush. Protected		D	OG	SW	June	4.50
R50H97	ROSE H.T. WHITE LIGHTNIN' Hybrid Tea-Armstrong A super fragrant, medium size, magnolia white bloom with a faint greenish glow at the centre. Flowers are borne singly on strong stems on an upright, healthy foliated bush. This rose has already created great public interest in New Zealand and will, we feel sure, become the standard fragrant white in New Zealand. <u>ALL AMERICA AWARD WINNER 1981</u> Protected		D	OG	SW	June	4.80
