JANUARY/FEBRUARY 1987

WHOLESALE TRADE LIST

**CIRCULAR TO CLIENTS**

**1: PERSONNEL CHANGES**

I would advise that we have made two new appointments to our Sales and Marketing Staff. Both are new to Duncan & Davies and are welcomed because of the skills they will bring to the Company and the contribution they will make to our efforts in the sales area.

**MARKETING MANAGER**

Mr Tjalling Yonker has been appointed Marketing Manager to take the overall responsibility for marketing policy within New Zealand and to give much needed support to Robyn Willis's continuing function as Sales Manager.

Tjalling comes from the position of Marketing Services Manager, Taubmans Paints, and it is intended that he will offer you a better sales support service and also gather information from you to better the product range and other services from Duncan & Davies.

**SALES REPRESENTATIVE**

With the departure of Steven Haswell to another non-competing company, we have been fortunate to engage Mr Michael Graham, a well qualified horticulturist with a bent for sales and marketing to fill the post.

Michael has spent the last three years as a rep for Fruit Fed based in Drury and after stocktake later this month, will be knocking on doors seeking to fill the order book.

He will be seen sporting a new vehicle, custom-built to D & D's requirements [which means the old Falcon is finally dead] and we trust this makes your sample appraisal easier and your pen more willing.

**2: INDENTS**

Robyn Willis is still on the road, admittedly after a short break for a family Christmas, and will be calling on you very shortly if she's not already been.

If any client is having difficulty with his, or her, received schedule then please contact us here at Brixton.

I trust Christmas and New Year treated you well and the slow-down between now and winter, if there really is one, compensates for a busy year end.

P C Thomason  
GENERAL MANAGER
