HOME GROWN FRUIT IS BACK IN FASHION

Fresh from the tree it is full of juice and vitamin rich,
picked and eaten at exactly the right time.

Fruit trees are a sound family investment - saving costs
over the long term.

Selecting your own fruiting trees will allow for a wider
range of fruits that can be obtained at the commercial
level and many of gourmet quality.

**TELL THESE INTERESTING FACTS TO YOUR CUSTOMERS
AND LET THEM INTO THE SECRET - INFORMING
LEADS TO MORE AND MORE SALES.**

The gardening public is interested in new and different
fruiting plants and Duncan & Davies can provide exactly
this through YOU, our valued retail customer.

**TAKE A LITTLE TIME AND CHECK OUT OUR VERY
FRUITY OFFERINGS.**

ALMOND ALL-IN-ONE

(Plant Protection Applied For)

Upright stocky habit. regular bearer of sweet medium sized nuts.
Easy to harvest and hull. Self fertile. Showy white flowers in spring.
4m

DS 150/200 8.50

ALMOND GARDEN PRINCE

A terrific genetic dwarf to 2.5m in height. Will not outgrow the smallest
garden scene - grows as an ornamental shrub in flower border or patio
tub. Flowers pink followed by SELF FERTILE sweet nuts. DOES NOT
NEED A POLLINATOR TO FRUIT.

DS 70/90 8.50

APRICOTS - some are super genetic dwarfs. Let
your customers choose from three different growth sizes in
height - 2.5m - 1.8m - 1.2m custom designed to meet every
garden need. **ALL SELF FERTILE.**
All have ornamental foliage and pink flowers.
Easy to grow anywhere in the garden.

APRICOT APRIGOLD

(Plant Protection Applied For) Genetic Dwarf. 1.8 m in height

DS 30/40 8.50

APRICOT GOLDEN GLOW

(Plant Protection Applied For) Genetic Dwarf. 1.2 m in height

DS 40/50 8.50

APRICOT GARDEN ANNIE

(Plant Protected) 2.5 m in height

DS 120/150 8.50

APRICOT KATY COT

(Plant Protected) Pink flowers and great crops of juicy freestone fruit
For those wanting the full sized 4.5m in height orchard tree Katy Cot
is the one.

DS 150/200 8.50

AVOCADO ZUTANO

Medium sized fruit with green skin. Ripens mid-winter. Heavy and
reliable cropper. 5m

P8 30/40 8.95

PLANT NAME	R/P	GRADE	PRICE	EXPECTED DELIVERY
BABACO (CARICA PENTAGONA) Exotic fruit from Ecuador. Large elongated yellow fruit. Exotic fruit salad flavour. Frost tender. 3m	R2	40/50	3.25	
CHERRY COMPACT STELLA A SELF FERTILE Canadian developed cherry and selected for its small growing size, heavy cropping, high fruit quality and self fertility which means that only one tree in the garden is required for fruiting. Fruit is large black/red, well flavoured and bears in early season.	DS	120/150	9.95	
CHERRY DANDEECHER (Plant Protected) American bred again for SELF FERTILITY, reasonable size - neat and compact to fit most gardens - heavy yields of red-skinned fruit with high juice and flavour content. Crops in mid-season just after Compact Stella.	PB	150/200	9.60	
CHERRY TANGSHI This is a SELF FERTILE sour cherry or pie cherry and the small fruits make excellent pies, can be stewed, used for preserves, or canned. Tree is small and spreading in structure to 3-4 m in height.	DS	120/150	9.60	
CITRUS LEMON MEYER Small growing popular home garden variety.	P8	50/70	5.95	
CORYLUS AVELLANA MERVEILLE DE BOLVERT Selected for the quality of large sized nuts. Suitable as a pollinator.	DS	70/90	5.95	
CORYLUS AVELLANA NOTTINGHAM Bears medium oval nuts somewhat flattened - sweet flavour.	P40	40/50	5.95	
ALL FEIJOAS GIVE BETTER RESULTS WHEN POLLINATED WITH ANOTHER VARIETY.				
FEIJOA COOLIDGEI Rich flavoured medium sized fruit.	R2	50/70	6.00	
FEIJOA MAMMOTH Later fruiting form.	P12	50/70	6.00	
FEIJOA ROBERT Early fruiting form.	P8	50/70	6.00	
FEIJOA TRIUMPH Later fruiting form.	P8	50/70	6.00	
FIG CELESTE Early fruiter. Superior flavour. Pinkish/white flesh. Excellent for deserts or flavouring.	DS	120/150	8.05	
FIG SAN PEDRO MIRO High yielding variety with a very compact growth habit making it an ideal tub specimen. Fruit is large. Pale green skin with creamy white flesh.	DS	120/150	8.05	
FIG WHITE ADRIATIC Excellent crops of medium size fruit with a yellow-green skin and pinkish red juicy strawberry flavoured flesh - superb home garden variety.	DS	120/150	8.05	

PLANT NAME	R/P	GRADE	PRICE	EXPECTED DELIVERY
NASHI HOSUI Golden brown nugget skin - sweet juicy flesh - matures February.	DS	90/120	4.60	
NASHI KOSUI Golden russet skin, very juicy, crisp and sweet, crops well and matures February.	DS	90/120	4.60	
NASHI NIJISEIKI Yellow green smooth skin - flesh white, firm, sweet and very slightly aromatic - matures February/March.	DS	90/120	4.60	
NASHI SHINSEIKI Yellow thick skin - flesh white, sweet, mild flavour - matures February. This is a good pollinator for the other listed varieties.	P28	120/150	4.60	
NASHI SHINSUI Russet brown skin - flesh sweet, crisp and juicy - matures February.	DS	120/150	4.60	
NECTARINE DWARF NECTAR BABE (Plant Protection Applied For) Our latest GENETIC DWARF introduction from the USA. Grows to 1.8m tall - has prolific crops of freestone fruit with yellow flesh and a rich sweet flavour. Has large pink flowers recommended for flower garden planting and ideal in patio tub.	DS	50/70	8.50	
NECTARINE DWARF GARDEN DELIGHT (Plant Protection Applied For) Excellent eating freestone fruit. Firm sweet yellow flesh. Self fertile dwarf variety ripens early February. Ideal in milder climates. Only low chilling requirement needed. 1.5-2 m	DS	50/70	8.50	
PASSIFLORA MOLLISSIMA - Banana Passion Fruit Large pink flowers followed by bana-like thin skinned yellow fruits full of juicy pulp and very edible.	P5	70/90	4.25	
PEACH DWARF BONANZA MARK II A new and improved Bonanza - fruit is terrific - freestone yellow flesh, mellow and mouth watering, great aromatic flavour.	DS	50/70	8.95	
PEACH DWARF HONEY BABE (Plant Protection Applied For) New in 1987 this dwarf genetic peach is an absolute cracker! It grows to 1.5m tall - fruits early and prolific - flesh is orange flecked red, firm, juicy and sweet.	P18	70/90	8.95	
PERSIMMON GAILEY Small deciduous tree, small fruit but mainly used as a pollinator tree for fruiting other Persimmon varieties. Good autumn foliage and very ornamental.	P40	150/200	10.65	
PERSIMMON ICHIKIKEI JIRO Compact small tree, excellent fruit. Autumn foliage - bright yellow orange and red. Non astringent.	DS	150/200	10.65	

ACERS

Demand has been heavy for Duncan & Davies quality maples - limited supplies on those listed below. Varieties indicated with "SPRING" will be dispatched in leaf approximately mid to late October. The other varieties will go now with your current orders.

ACER NEGUNDO KELLYS GOLD - Golden Box Maple

Good small garden tree - golden leaf in spring, lime green in summer. 5 m

DS 120/150 11.60

ACER NEGUNDO VIOLACEUM - Violet Box Maple

A fine tree with attractive bark, foliage and ornamental seed head. 6 m

DS 150/200 11.60

ACER P ATROPURPUREUM

Red leaf form grown from seed. Selected for intense purple red colouring. An excellent selection - and it's priced just right. Super grade tree. 4 m

DS 150/200 8.50 SPRING

ACER P CHISHIO

Dwarf growing form with brilliant shrimp red spring foliage. Bronze green in summer, bright orange-red in autumn. Small dainty leaves. 1 m

DS 40/50 16.95 SPRING

ACER P CRIPPSII

Small dainty deep green foliage. Leaflets finely serrated. Margins curled giving star shaped leaf. Upright compact habit. 2 m

DS 120/150 16.95 SPRING

ACER P HIGASAYAMA

Leaves veined, green edged creamy white with rose pink margins. Becomes twiggy with age enhancing leaf form. 3 m

DS 150/200 16.95 SPRING

ACER P SHIGATATSU SAWA - Reticulatum Maple

Reticulated veins of deep green on pale yellow green leaves. Delicate subtle charm. 2 m

DS 30/40 16.95 SPRING

ACER P DISSECTUM CRIMSON QUEEN - Weeping Maple

One of the best red foliage weeping maples - retains good colouring throughout summer period. Low worked.

P12 L/W 17.35 SPRING

ACER P DISSECTUM FILIGREE - Weeping Maple

Light green finely cut foliage prettily speckled creamy yellow giving unique filigree appearance - needs some wind and sun protection. Outstanding patio tub plant. High worked.

DS H/W 19.25 SPRING

PLANT NAME	R/P	GRADE	PRICE	EXPECTED DELIVERY
ACER P DISSECTUM PALMATIFIDIUM - Weeping Eagles Claw Maple Leaves sturdier than most weeping forms. Brilliant emerald green in spring, summer - gold and crimson in autumn. Strong vigorous growth habit. Excellent garden plant for those whose conditions need a hardier plant. Low worked. High worked.	P12 DS	L/W H/W	17.35 19.25	
ACER P DISSECTUM SEIRYU - Lace Leaf Maple Bright green upright growing form, gracefully held fine foliage, upright arching habit. Autumn foliage of soft yellow to golds, tinted orange and red. 3m	DS	120/150	16.95	
ACER P DISSECTUM VIRIDIS - Weeping Maple A fine leaf light green form with superb autumn colourings in gold and orange tones. A very graceful grower and well suited to patio tub culture. Low worked.	DS	L/W	16.95	
ACER PLATANOIDES DRUMMONDII Slow growing tree featuring bold light green foliage, margined with white. Hardy but requires shelter for best effect. 5m	DS	120/150	10.85	
ACER PLATANOIDES NIGRUM Sturdy medium sized round headed deciduous tree with purple foliage in spring/early summer, becoming bronzy-purple green, then reddish-purple in autumn. 4 m	DS	120/150	9.25	
AESCULUS PAVIA - Dwarf Red Buckeye Beautiful small tree with crimson flowers, elegantly held above new spring foliage. Choice showy small tree. 4 m	DS	50/70	10.85	
AGATHIS AUSTRALIS - Kauri Makes an excellent narrow pyramidal shaped evergreen tree. Fast young growth quickly settles down to much slower pace and the tree may make only 4 metres high in twenty years without being greedy for space. WE OFFER EXCELLENT CONTAINER GROWN SPECIMENS.	P18	90/120	7.10	
ARBUTUS UNEDO COMPACTA Compact dwarf heavy flowering Irish strawberry tree. Prolific red and gold fruits, ideal for small gardens.	P5	30/40	5.60	
ARBUTUS UNEDO ELFIN KING Worth its weight in gold, this fabulous dwarf growing form will reach some 1.5m in height when mature. Pearly white flowers and very ornamental yellow/red fruit crops.	P12	50/70	6.85	
ARBUTUS UNEDO RUBRA This is the hardy pink flowered form followed by the usual fruit ornamentation.	P6	40/50	6.85	

ASTELIA CHATHAMICA SILVER SPEAR

A truly superb silvery leaved plant with upright pendulous sword-like leaves and a perfect garden focal point.

P8**40/50****5.60****AUCUBA JAPONICA CROTONOIDES**

FEMALE FORM. Deep green leaves boldly spotted and splashed golden yellow.

R3**30/40****4.95**

RP 15/20 7.85

CHAMAECYPARIS L. PYGMAEA ARGENTEA

The darling of the overseas gardening fraternity, this dwarf slow growing conifer has bluish green foliage tipped creamy white - the grade is large for this slow growing true dwarf conifer.

DS 20/30 7.85

CHAMAECYPARIS L. SOUTHERN GOLD

Novel pyramidal variety, pendulous tipped laterals. Unusual foliage combination of cream, soft green and light yellow. Lovely softer muted tones. 4m

DS 70/90 9.85

CHAMAECYPARIS L. CONFUCIUS

A superb golden foliaged sport of *C. obtusa nana Aurea* which originated on the D & D nursery several years ago. It is proving to be a first class conifer growing to only about 1.5m in height at maturity. We know this conifer has a great garden future.

DS 30/40W 9.35

CHAMAECYPARIS O. CRIPPSII

This golden standard needs no description - We offer a fabulous plant grade.

DS 90/120 9.85

CHAMAECYPARIS O. FERNSPRAY GOLD

Unique compact, arching growing style in old gold, small growing to about 2.5m tall.

DS 70/90 9.85

CHAMAECYPARIS O. NANA

Very dwarf and slow growing in deepest green - looks well in border or patio tub - Excellent specimen grade priced right.

RP 15/20W 6.50

CHAMAECYPARIS O. NANA AUREA

The golden foliaged mate to the green Nana - again the grade of plant offered is indeed superb being as wide as it is tall.

RP 20/30W 7.85

PLANT NAME	R/P	GRADE	PRICE	EXPECTED DELIVERY
CHAMAECYPARIS O. NANA LUTEA Extremely slow growing and very dwarf with finely cut creamy gold overlying emerald green - nice grade for this slow grower.	DS	15/20W	6.50	
CHAMAECYPARIS O. PYGMAEA Dwarf broadly rounded conifer with fan shaped sprays of green, bronze toned foliage.	RP	20/30	7.85	
CHAMAECYPARIS O. TEMPELHOF Dwarf compact and deepest green, larger growing than Nana. Plants offered are a nice chunky grade.	DS	10/15W	7.85	
CHAMAECYPARIS O. TONIA The creme de la creme of the little guys, or is it girls. This conifer represents the smallest, slowest grower in our conifer collection. Emerald green moss-like foliage tipped silvery white. Yet again we are able to offer a splendid grade.	RP	10/15W	7.85	
CHAMAECYPARIS P. BOULEVARD Again too well known to need describing - shimmering steel blue.	DS	40/50	8.90	
CHAMAECYPARIS P. GOLD SPANGLE One of the brightest conifers in creamy gold sprays that turn a lovely soft bronze in winter - not an easy one to locate as a rule but looking good with us, right now.	DS	20/30	8.90	
CHIMONANTHUS PRAECOX - Winter Sweet. Lovely pale yellow waxy blooms cover bare branches in winter. Beautiful sweet spicy fragrance. Hardy and easy to grow. 2.5m	DS	50/70	8.50

QUERCUS PALUSTRIS - Pin Oak

Deep, sharply lobed distinctive leaves. Branches gracefully drooping at tips. Brilliant red autumn foliage. 7 m

DS 90/120 12.45

VIREYA TROPICAL RHODODENDRONS

Vireyas bloom several times each year.

This rhododendron category is frost tender and plants will need some suitable protection if grown outdoors in frosty climate zones. They can be planted safely outdoors in most north island situations with a little care and attention. South island below Nelson will need protection.

They grow superbly in containers for many years and will perform brilliantly in greenhouses, conservatories and interior rooms with attention.

RHODODENDRON AURIGERANUM HYBRIDS

Mixed hybrid line with blooms in yellow-gold shades. Rounded open trusses. May flower several times annually. Med open habit.

R2 40/50 6.95

RHODODENDRON CHRISTIANAE

Loose trusses of soft pastel yellow with tones of apricot to soft tangerine at petal margins. Upright habit.

R2 30/40 6.95

RHODODENDRON GOLD BELLS

Trumpet blooms in golden yellow tones tinted apricot.

R2 40/50 6.95

RHODODENDRON JASMINIFLORUM

Sweetly scented white jasmine-like flowers.

R3 30/40 6.95

RHODODENDRON LOCHAE

Soft rosy red bells freely produced. May flower several times annually. Low bushy habit.

R2 20/30 6.95

RHODODENDRON MACGREGORIAE

Light creamy yellow, blushed apricot, small flowers - light trusses.

R2 30/40 6.95

XERONEMA CALLISTEMON

Poor Knights Island Lily

Rare native plant - makes clumps of stiff fleshy leaves to 60 cm tall and eventually, once established, long stems holding crimson 'bottle brush' flowers. Frost tender and sun loving. A RARE PLANT FOR THE CONNOISSEURS CORNER.

RP 20/30 4.50

YUCCA BRIGHT EDGE

A hybrid form with stiff erect leaves of emerald green widely margined golden yellow. Produces flower spikes of creamy white bells.

P5 20/30 4.85

YUCCA FILAMENTOSA VARIEGATA

Low growing plant with erect sword like leaves. Produces long elegant flower spike of creamy white bells.

R2 15/20 4.85

YUCCA FLACCIDA IVORY

Large soft green leaves - produces very tall flower spikes, crowded with large fragrant ivory white bells in summer.

P6 20/30 4.85

CLIMBERS & TWINERS

Always good for additional sales - let your customers know what they are missing - best way to hide those ugly garden views and to add a valuable dimension to the garden scene.

CAMPSIS GUILFOYLEI - Trumpet Creeper

Fast climbing over walls, sheds and old trees - superb display of large orange-red trumpet shaped flowers. Blooms over long period in summer.

P6 40/50 5.60

CAMPSIS YELLOW TRUMPET

Slightly smaller bright yellow flowers. This type has aerial roots which adhere to its support. Flowers in summer.

P6 40/50 5.60

CLEMATIS MONTANA TETRAROSE

Lovely lilac rose flowers with straw yellow stamens. Attractive rosy bronze new foliage.

RP 70/90 6.70

GELSEMIUM SEMPERVIRENS PLENA**- Carolina Jessamine**

This is the lovely double flowering yellow form.

P6 50/70 4.85

LONICERA DROPMORE SCARLET

Clusters of bright scarlet tubular flowers, produced throughout late summer. A vigorous climber.

P6 40/70 4.50

LONICERA GOLD FLAME

Creamy golden yellow flowers, flushed flame pink. Very fragrant.

P6 40/50 4.50

LONICERA SEMP SULPHUREA

A splendid climber with bold fragrant sulphur yellow clusters followed by deep red berries. Very ornamental.

P6 30/40 4.50

LONICERA SEROTINA WINCHESTER**- Late Dutch Honeysuckle**

An excellent form which produces large clusters of fragrant rich red-purplish flowers.

P6 30/40 4.50

PANDOREA LADY DI

Large milky white flowers.

RP 30/40 5.60

PANDOREA RICASOLIANA

Masses of pink trumpet flowers in summer.

P6 40/50 4.85

**PARTHENOCISSUS BREVIPEDUNCULATA
ELEGANS**

A very attractive climber. Dark green leaves are mottled white and pink - has pale blue berries in autumn/winter period. Deciduous.

P6 20/30 4.15

DUNCAN & DAVIES NURSERIES LIMITED : TERMS AND CONDITIONS OF SALE

- 1: **DEFINITION:** "The Company" means **DUNCAN & DAVIES NURSERIES LIMITED** a duly incorporated company having its registered office at New Plymouth.
- 2: **SCOPE:** These terms and conditions apply to all sales of goods by the Company and shall prevail over any inconsistent terms or conditions contained or referred to in the customer's order or in correspondence or elsewhere unless specifically agreed to in writing by the Company.
- 3: **QUOTATIONS:** A quotation by the Company does not constitute an offer and the Company reserves the right to withdraw or amend the same at any time prior to the Company's acceptance of the customer's order.
- 4: **WHOLESALE ORDERS:** All sales are "subject to crop availability" and order accepted "subject unsold".
- 5: **WHOLESALE QUANTITIES:** Minimum order to the Company is 50 plants with a minimum of five plants of one variety. The Company regrets that orders of less than the above will not be accepted as these are uneconomical.
- 6: **PRICES AND GST:**
 - a) The prices payable for goods will be those quoted in the trade catalogue but the Company reserves the right to make a surcharge if unforeseen cost increases make this necessary. Prices quoted are GST exclusive and GST will be itemised as a separate figure on the invoice.
 - b) All prices include identification labels only and packaging.
 - c) All prices are ex Brixton Nursery.
 - d) All freight costs are for customer's account - see Clause 11.
- 7: **TERMS OF PAYMENT:**
 - a) All customers are required to pay cash at the time of the confirmation of their order unless the Company has agreed in writing to accept payment as set out in [b] hereof.
 - b) Payment is due on the 20th of the month following delivery. Interest shall be payable on overdue accounts at the rate of 2% per month to run from the due date for payment thereof until receipt by the Company of the full amount payable.
 - c) The Company shall have the right to withhold or suspend or to terminate any contract if a customer's account is not on a current basis.
- 8: **CANCELLATIONS:**
 - a) No cancellation of any order by the customer in whole or in part or deferment of delivery will be accepted unless agreed to in writing by the Company.
 - b) Whilst every endeavour is made by the Company to keep all nursery stock true to name and free from pests, virus and other diseases, if before delivery the goods are damaged or found to be diseased the Company may cancel the contract and on refunding any monies paid by the customer to the Company the Company shall not be under any further liability whatsoever to the customer.
- 9: **COMPLAINTS:** The goods must be carefully examined on receipt. The Company will not be liable to the customer:
 - a) For shortages of quantities delivered unless the customer notifies the Company of any claim for short delivery in writing within five days of receipt of the goods.
 - b) For any loss or damage caused by the act, neglect or default of the customer of any third party.
- 10: **OWNERSHIP:**
 - a) Ownership in the goods supplied shall remain with the Company until the goods are paid for.
 - b) The customer shall keep all goods supplied to it by the Company identified until such time as they have been paid for.
 - c) If the goods are sold to third parties prior to being paid for then the customer shall hold the proceeds of the sale in trust for the Company until the goods have been paid for. The buyer will on the demand of the Company provide full details of all sales made of goods that are not paid for and the accounts where the proceeds of the sales thereof are held.
 - d) The Company shall have the right to enter onto the customer's premises at any reasonable time to inspect or recover possession of any unsold goods not paid for in terms of Clause 7 hereof.
 - e) Notwithstanding the above the risk in any goods supplied by the Company to the customer shall pass when such goods leave the Company's Brixton premises. In the event of the Company recovering possession of any goods in accordance with the above provisions then the Company shall be entitled to be compensated by the customer for any damage to or loss of value of such goods.
- 11: **FREIGHT COSTS & INSURANCE:**
 - a) The customer shall be responsible for all freight costs from the Company's Brixton Nursery including demurrages, chaps when not promptly returned to the freight company following receipt of the goods.
 - b) All goods are despatched uninsured and at the buyer's risk. Claims for losses or damage in transit must be lodged promptly direct to the transport organisation concerned.
 - c) If the customer wishes to use its own transport to uplift plants from the Brixton Nursery, seven days notice is required to the Company, ten days notice during the winter season.
- 12: **TERMINATION:** If the customer commits any breach of these conditions or shall go into receivership or liquidation either, voluntarily or compulsorily or shall enter into any composition with its creditors or shall suffer any distress or execution to be levied on its goods the Company may terminate any contract and refuse to effect further deliveries without any liability for damages.
- 13: **FORCE MAJEURE:**
 - a) In the event of war, hostilities or blockage preventing shipment or delivery during the contract period this contract or any unfilled part thereof shall be cancelled.
 - b) Should shipment or delivery be delayed by fire, strikes, lock outs, riots, revolution, prohibition of export or any executive or legislative act done by or on behalf of the Government of the territory where the place and/or places of shipment or delivery named therein is or are situated or for any other reason beyond the control of the Company other than the reasons given in Clause [a] at the time of shipment or delivery shall be extended by two months. Should shipment or delivery not be possible within these two months the contract shall be void unless otherwise agreed to in writing. If by reason of any cause beyond the control of the Company, the Company are unable to supply the full quantity to be supplied thereunder such failure shall not give rise to a claim against the Company or be deemed a breach of contract. The Company shall be at liberty to reduce deliveries hereunder to such an extent as may be necessary fairly to apportion between customers the quantity which the Company are at any time able to supply.
 - c) The Company shall advise customers without undue delay if shipment or delivery during the contract period is impossible with the reasons therefor. If required the Company must produce proof to justify their claim for cancellation or extension.
- 14: **WAIVER:** The failure on the part of the Company to exercise or enforce any rights conferred by the contract shall not be deemed to be a waiver of any such right nor operate so as to bar the exercise or enforcement thereof at any time or times thereafter.
- 15: **NOTICES:** Any notice required to be delivered hereunder shall be deemed to have been duly given if sent by post [airmail where the addressee is abroad], telex, bureaufax or telegraph addressed to the party concerned at its principal place of business or last known address.
- 16: **CREDIT FACILITIES:** Credit facilities may be extended to our customers by the Company on terms and conditions approved in writing by the General Manager or Company Secretary of the Company.
- 17: **GOVERNING LAW:** The contract shall be governed by and construed and interpreted in accordance with the laws of New Zealand for the purpose of settlement of any dispute arising out of or in connection with the contract the parties hereto submit themselves to the jurisdiction of the New Zealand Courts.

FOR THOSE OLD WORLD GARDENS !

The Chinese Lantern Bushes - 3 Varieties - Available December

Order now : Limited quantities

ABUTILON HYBRIDUM SAVITZII	.75cm	P6	20/30	3.50
Dwarf growing, bluish-green leaves broadly variegated with white. Soft orange lantern flowers.				
ABUTILON HYBRIDUM SPECKLES	1.5m	P6	20/30	3.50
Vigorous upright habit. Large dark green leaves, marbled yellow mottled variegation. Orange Chinese lantern blooms over a long period.				
ABUTILON MEGAPOTAMICUM VARIEGATUM	45cm	P6	20/30	3.50
Deep green, golden mottled heart-shaped leaves adorn this Brazilian shrub throughout the year. Before the yellow petals, encased in a rich calyx appear, the brilliantly coloured buds are most attractive, continuing to bloom for 9 months of the year. Lax spreading habit - excellent ground cover.				

ADDITIONAL MAPLES

Limited quantity available : The early orders will be the lucky ones!

ACER PAL. LINEARIFOLIUM ATROPURPUREUM	3m	DS	70/90	16.95
