

## Addendum and errata

In addition to examples of garden creators authoring books that document their horticultural journeys (*New Zealand Garden Journal*, 2016, Vol. 19, No. 1, p. 29), mention could have also been made of Gordon Collier's book on his garden 'Titoki Point', published by Moa Becket in 1993.

Also in our previous issue, we inadvertently lost some characters in the print version: p. 6 should be "kōwhai" and p. 22 should be "with  $\frac{2}{3}$  of their length".
